Dear Parents,

We are happy to announce that we will be offering Full Day Care on **Monday, March 29th through Thursday, April 1st and Monday, April 5th through Friday, April 9th**. If your child is attending the field trip on the April 5th, please fill out and sign the additional field trip form as this is required by Pump it Up. Please check the after school care board for more details on the field trips.

Please return this sheet as soon as possible to allow us to properly plan for staffing and bus transportation as space is limited.

Thank You!
Mrs. Whitehouse
