

Aloha!

It's a Book Fair Luau!

The annual Scholastic Book Fair is right around the corner!!
So mark your calendars for **Jan. 21st – 29th!!**

READING CHALLENGE

This is the 3rd year for our Reading Challenge. Our GOAL is to get 3500 books read by the kids from the **start** of Christmas break (12/22) up until the day the book fair opens.

Info about the Challenge

- The kids should read **within their** reading level
- Does not have to be AR but if it is, they should make sure they take their AR test for the points they need!
- If you have a non reader or beginning reader – you can read to your child and that counts!!
- Any books the kids read for their classes count (we are just keeping track of what they've already read also).
- We will have a chart in each classroom for the kids to record the number of books they've read.

ANY books read over the Holidays, please record and send a note with your child during the first week back at school.

FINALLY- Volunteer information will be coming right after break but in the meantime, save the dates on your calendar because we would love to have you help out at the book fair!!

Happy Holidays!!!
The Book Fair Committee
