

In Physical Education class we have begun using scooters. When we use scooters the girls in Kindergarten through 2nd grade are asked to take off their jumpers and leave them in the classroom. This is so they may ride on the scooter without their jumper getting stuck under the wheels. Could you please make sure that your child wears shorts under their jumper in order to be able to remove their jumper during this unit. We will be using scooters from January 24-February 14, 2012.

Thank You,
